## Indian River Region AACA Holiday Party December 11

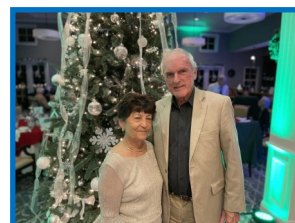

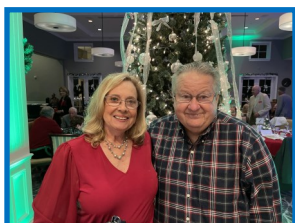

Holly and Phil LoGiudice facilitated the planning for the party with the help of Russell van Wyk from Pointe West. Everyone we spoke to had a great time. The dinner was delicious and the band, Sea Wind was fantastic as indicated by the full dance floor! The following are several photos I took that night. My camera decided not to cooperate and a few photos were out of focus. However, many were fine and they follow.

## Note from the Antique Auto Show

### Chairman—Bill Maule

Happy New Year! I hope all are doing well. As your new show chairman, I have been working on the details and following Fred's timeline as you know most of the income for our club comes from the proceeds of this event & enables us to donate to the many Charities we select. I am trying to get as many sponsors as possible and I need your help because several have elected to opt out this coming year and we need new blood. I need your help in our recruiting effort. I have attached the donor sponsorship letters in case you do not have them. It's amazing to me who will donate. Throughout the 11 years I have been cruising/showing my Chevelle, the goody bags have included many items such as.... advertisements for Dentists, Real estate ads, Printing shops, auto parts stores, steel fab shops, storage warehouses, detail / tint shops, local & national chain restaurants, We are a big market to many businesses! Currently, I am asking you to find a sponsor /donor for our show at any level and therefore help promote our sport to the next generation. We had 8 major sponsors last year (\$500) and this year's goal is 10 +, thank you for the continued support of our show.

Bill Maule, 772-584-1842
