## A Note from our President

Hello everyone,

Hopefully everybody is well. We had a blast at the OK Corral - thanks to Al and Sue for getting that together for us. Eight cars cruised from Ft Pierce to Okeechobee where we were met by Jim, the owner of the OK Corral and his Range Master Chris, they took us on a trip around the 350-acre facility and then we had lunch.

We have had a fair amount of rain in July, mostly in the afternoon and evenings, but it could be worse. As I write this note I'm hopeful that this Friday Downtown works out this month. They changed the location to south 14th Ave. We will be between Rt60 and 19th St, the businesses at the new location are very excited to have us there. We have a lot more choices of food and Armani's Cucina will let us use their parking lot for cars.

Thanks to the members who came to Certus Premier Memory Care Living center. We had 6 cars, and the folks and staff really enjoyed it. Please have a great day and we will see you at the next meeting, remember it's early this month on the 8th of August.

Respectfully

John Stefanacci

Next Meeting: **AUGUST 8th** at the **Italian American Civic Association** located at 1600 25th Street, Vero Beach, Fl.

Dinner is at 5:30 pm—menu details will follow soon. The meeting starts at 7 pm. If you plan on attending dinner, **send your RSVP to Fred Kiesel—ofcrfred@bellsouth.net**

If you plan to come to dinner so he can give the club an approximate head count.

We look forward to seeing everyone at the meeting.

- **August 3:** National Watermelon Day
- **August 4:** U.S. Coast Guard Birthday, National Chocolate Chip Cookie Day

**Gabor/Maule Cruise  
Lynne and Steve Gabor  
Mary and Bill Maule**

Bill and Mary planned months ago to take an extended tour of the northern states in their soon to be completed 1956 Chevy pickup truck. They planned to meet Steve and Lynne Gabor in Pennsylvania. The Gaber's would drive their 1948 Chevy sedan. The last few days before their departure date, Bill worked many, many hours completing the truck. He and I spoke about me covering the cruise by sharing his photographs and his description of the trip.

The truck itself is a sight to see! The suspension is all Corvette along with the independent rear end. The stance is low and perfectly comfortable while driving. Power is provided by a LS Chevy engine that Bill refreshed. It was recently dyno'd at 350 hp.

Steve's 1948 Chevy is a beautiful car designed for great road trips. It features two tone paint, custom interior and is powered by a small block Chevy engine. Phil LoGiudice

**From Mary and Bill:** "Tuesday on our very first long haul trip we went all the way to Lake Wylie S. Carolina to visit Rob & Melodie Hardee—9 Hours! Rob still has the 1959 corvette he took with him from Vero Beach and is driving & showing it. He got his AACA junior award last month. From there we went to Columbus and the Goodguys event where we met Lynne & Steve Gabor. Had a great time there. We started the Jerry Dixey tour on Sunday".

The following are a few highlights of photos from Bill & Mary and the Gaber's. The complete set of photos were shared to all members recently. (Let me know if you need the link. Phil)

## More Gabor/Maule Cruise

We left Watkins Glenn Wednesday after the track session (3 laps) and headed to Syracuse via the Finger Lakes area; a beautiful drive! About 30 minutes away my alternator quit and voltage was too low to make it in. We happened by a friendly local garage and he charged the battery while we had a great roadside diner lunch with the Gaber's and another tour guy. We made it to the hotel and got another alternator Thursday morning. The Syracuse show was awesome and well run. Our group had a large tent and roped off parking in the center of everything! We had a great time there and then back to the hotel where Jerry Dixey hosted a dinner party for all. Everyone left Saturday afternoon or Sunday morning & we had a day of rest. Monday we headed to visit our grandkids and daughter at her in-laws at their cottage in Hamlin NY. Then it's off to Traverse City Michigan. "Seeing the USA in our Chevrolet" ! Bill Maule
